Safety of Sports Grounds Act 1975 as amended 1987

i. Information

It is important to know all the provisions of the Safety of Sports Grounds Act 1975 ("the Act"), which are relevant to stadia within its scope. These are explained, without legal force, in the booklet "Guide to Safety at Sports Grounds" (latest edition), obtainable from Her Majesty's Stationery Office. The following points are particularly important but reference should be made to the Act itself for authoritative information.

ii. Right of entry and inspection

Section 11 of the Act gives to authorised officers the power to enter and inspect a sports ground and to make any inquiries as are considered necessary for the purposes of the Act. Authorised officers also have power to examine records of attendance at the ground and records relating to the maintenance of safety at the ground.

iii. Alterations and extensions

Section 8 of the Act requires notice to be given to the Council before work is begun of any proposed alteration or extension to the sports ground.

iv. Offences and penalties

For the following offences, that is to say: -

- (a) Contravening any term or condition of this certificate (otherwise than in pursuance of a prohibition notice), admitting spectators to the sports ground at a time when no application for a safety certificate has been made or where a certificate does not relate to the current sports ground or has been withdrawn, surrendered or cancelled; or in contravention of a prohibition notice, the penalty is, on summary conviction, a fine not exceeding the statutory maximum or, on conviction on indictment, a fine or imprisonment for a term not exceeding two years, or both.
- (b) Knowingly or recklessly making a false statement or producing, signing, furnishing or otherwise making use of a document containing a false statement, or
- (c) Failing to give notice of an alteration or extension to the sports ground or obstructing an authorised officer, the penalty is on summary conviction, a fine not exceeding level 5 on the standard scale.

v. Prohibition notices

Section 10 of the Act (as amended) provides that if the local authority are of the opinion that the admission of spectators to a sports ground or any part of a sports ground involves or will involve a risk to them so serious that, until steps have been taken to reduce it to a reasonable level, admission of spectators to the ground or that part of the ground ought to be prohibited or restricted, the authority may serve a notice (referred to as a "prohibition notice") on the holder of the general safety certificate or the person

responsible for the management of the ground, prohibiting or restricting the admission of spectators.

vi. **Appeals**

Section 5(3) of the Act (as amended) provides that an interested party may appeal to a Magistrates' Court against the inclusion of anything in, or the omission of anything from, a safety certificate.

vii. **Transfer of the Certificate**

If the Holder of the safety certificate ceases to be the person responsible for the management of the ground, an application must be made to the Council for the transfer of the certificate to some other qualified person.

viii. **Other Legislation/guidance**

The holder should be aware that apart from the legislation detailed in (i) above there may be other acts and guidance that apply to the sports ground. These include health and safety legislation, legislation relating to people with disabilities, civil contingencies legislation, The Regulatory Reform Fire Safety Order (2005), Sports Ground and Stadia Guide No.4: 'Safety Management' document and any other specific pieces of legislation or guidance that may have relevant safety implications.

NOTE: No temporary variation of the terms and conditions of the certificate will be permitted other than in accordance with the terms and conditions of any relevant letter of consent by the certifying authority

Safety of Sports Grounds Act 1975

General Safety Certificate

The University of Bolton Stadium, Burnden Way, Lostock, Bolton

1. In exercise of the powers conferred by the Safety of Sports Ground Act, 1975 and all other enabling powers, the **Borough Council of Bolton** ("the Council") hereby issues to: - **Football Ventures (Whites) Ltd. ("the Holder")**, this General Safety Certificate in respect of **The University of Bolton Stadium, Burnden Way, Lostock, Bolton**, being a sports ground designated by Order of the Secretary of State as requiring a Safety Certificate.
2. This Certificate includes the Appendices, Schedules and Drawings attached hereto and must be read in conjunction with the Operations Manual.
3. The words used in this Certificate and the Schedules attached hereto shall have the meaning assigned to them by the Safety of Sports Grounds Act, 1975, the Fire Safety and Safety of Places of Sport Act, 1987 and Latest Guide to Safety at Sports Grounds.
4. The Holder shall retain control over the whole and each part of the sports ground and shall take all necessary precautions for the reasonable safety of all people admitted to the sports ground. The responsibility for the safety of all people at the sports ground lies at all times with the Holder, who shall produce a written statement of safety policy.
5. The Holder shall ensure compliance with the terms and conditions of this certificate at all times the sports ground is in use for a specified activity.
6. The holder shall provide equipment, permanent staff, stewards and others, and shall monitor, direct, guide, control and assist members of the public admitted to the stadium whilst this certificate is in force.
7. After conducting all the necessary risk assessments, the holder shall produce detailed capacity calculations in accordance with the guidance set out in the current edition of the Guide to Safety at Sports Grounds. These calculations shall be reviewed at least once a year, after any structural changes made at the sports ground and/or after any incident that involves implementing the Holder's emergency plans. The calculations shall be submitted to the council. The Holder may within this document specify different capacities for different events that might be held within the Sports Ground.
8. The Holder shall produce a written statement of safety policy for all people at the Stadium, outlining the chain of command, and covering the safety objectives and the means of achieving them and take steps to ensure that it is known and understood by all staff and voluntary workers who may be involved in ground operations. The Holder shall also ensure that the policy is reviewed annually and revised as necessary. A copy shall be kept with the General Safety Certificate and a copy of the policy shall be forwarded to the Council.
9. The Holder shall notify the Council, in writing, at least 28 days before any change of circumstances affecting this certificate. Any changes, which may involve alterations or conditions at the ground, shall be accompanied by sufficient information: -

- (a) Such information shall include two sets of drawings at a scale acceptable to the Council, capacity calculations and risk assessments and such other drawings as may be necessary,
 - (b) Such calculations, risk assessments and other details as are necessary, or are further required by the council to enable them to undertake the necessary consultation and to make an informed decision on the application.
10. No alteration or addition shall be made to the sports ground or its structures or installations without the prior written consent of the Council. Execution of any work for which consent has been granted shall be carried out to the satisfaction of the Council.
11. The Holder shall produce an Operational Manual that sets out the way the sports ground operates whenever this Safety Certificate is in force (guidance in the production of this document can be found within the current edition of the Guide to Safety at Sports Grounds). It should include but not be limited to: - the safety policy statement, the written spectator safety policy statement, the chain of command, the steward training policy, the stewarding plan, planned preventative maintenance schedule, medical plan, fire risk assessment, event day procedures, contingency plans, capacity calculations, on site vehicle movement and parking plan, the method of ensuring the safety of persons, site plans (which must include details and widths of all Ingress/Egress gates, doors and/or turnstiles) and details of safety equipment.

The Holder shall commission or undertake a formal review of its risk assessments every year, even if nothing untoward has occurred and The Holder is required to notify the Council of any proposed changes to the Operations Manual.

The Operational Manual shall be retained by the Club and any amendments Approved by the SAG.

12. The Holder shall also carry out training exercises at least once a year so as to ensure the emergency procedures operate correctly. The Holder shall notify the Local Authority, Fire Brigade, Police and Ambulance Service when training is to take place to enable them to observe the standards of staff training. Details of training exercises shall be entered in a log book.
13. The Holder shall produce a planned preventative maintenance schedule that takes into account all:
 - buildings and structures, including means of ingress and egress, and installations ensuring they are at all relevant times maintained unobstructed in good repair and in such condition as to fulfil safely their required functions;
 - fire fighting equipment; mechanical installations; lifts; escalators; heating systems; crush barriers; handrails and structural crowd control elements; Electrical and Mechanical Services including, but not exclusively, public address, CCTV and emergency telephone systems; Fire warning and fire safety systems and catering systems; Turnstile monitoring systems and sound systems.
14. The Holder shall carry out the inspections and testing at the frequency indicated by the equipment manufacture, or such shorter period as may be necessary to ensure the reasonable safety of spectators; the results of the inspections and testing shall be recorded and maintained available for inspection by the duly authorised officer of the

council.

15. The Holder shall produce a plan of action to deal with all contingencies (including civil) and shall assess in writing, the risk of incidents prejudicing public safety or disrupting normal operations. The plan of action shall be produced in consultation with the Police, Fire Brigade, Ambulance Service and the Council. The plan of action shall cover all reasonably foreseeable contingencies up to and including the need for partial and/or the need for total evacuation of the stadium and shall identify appropriate individuals and their respective tasks, including precautions against electrical or mechanical failure. A copy of the plan shall be deposited with each of the consultees above and a copy kept within the control room, it shall also form a chapter within the Operations Manual. The Plans shall be reviewed annually, after any incident, significant near miss or exercise.
16. If any temporary structures are to be erected with the consent of the Council within the Sports Ground, the Holder shall produce a plan of action to deal with any contingencies that might arise and shall assess in writing the risk of incidents prejudicing safety of members of the public and staff and guests. Such plans should include full details of the design criteria and critical factors that might have an effect on the structures. The plan of action shall be produced in consultation with the Police, Fire Brigade, Ambulance Service and the Council. The plan shall cover all reasonably foreseeable contingencies up to and including the need for partial and/or the need for total evacuation of the structure and/or area and shall identify appropriate individuals and their respective roles and responsibilities. A copy of the plan shall be deposited with each of the above consultees, and it shall also form a chapter within the Operations Manual.

Where it is proposed to use a temporary demountable structure as part of the spectator accommodation it shall be erected and used in strict accordance with the design criteria approved by the Council prior to assembly. The design shall be subject to an independent check by a competent person and a certificate of the check submitted to the Council.

17. The use of the sports ground for spectator events under this General Safety Certificate is restricted to those activities specified in Appendix 3, and is subject to the terms and conditions set out in this Certificate.
18. The Holder shall give Notice to the Council, Police, Fire Authority and Ambulance Service of all forthcoming specified activities, and in particular, not less than 35 days notice (or such other shorter period agreed with the Chief Constable), before the sports ground is used for activities specified in Appendix 3 and the Council's consent obtained and any conditions complied with before such use.
19. The Holder shall ensure that the maximum number of spectators that may be admitted at any one time to the sports ground and to each part thereof shall not exceed the capacities specified in Appendix 2 and shall also ensure that the measures for controlling crowds prescribed in the management risk assessment and this certificate are observed.
20. The Holder shall comply with the requirements and provisions of the Regulatory Reform (Fire Safety) Order 2005, and shall:
 - Take all reasonable precautions to prevent the outbreak of fire; Shall take whatever measures that are reasonably practicable to ensure the safety of spectators should fire break out;

- Shall maintain fire/smoke detection and alarm systems, and fire fighting equipment, and
 - Train staff to deal with an outbreak of fire
 - These shall be set out in the Fire Safety Plan, a copy of which is in Section 6 of The Operations Manual.
21. The Holder shall undertake or commission a medical risk assessment from a competent person or organisation. In undertaking this assessment the local ambulance NHS trust, crowd doctor and first aid providers should be consulted. From the results of this assessment the Holder shall produce a medical plan defining the levels of medical and first aid provision for staff and spectators at the sports ground. This document shall form a chapter within the Operations Manual.
 22. In addition to the records specified within Schedule 2, the Holder shall keep the records specified in the current Guide to Safety at Sports Grounds, and those records shall be available for inspection by the Council's authorised officers at all reasonable times.
 23. The Holder shall obtain and have available for inspection by authorised officers of the Council all necessary test Certificates/Records specified in the Operations Manual.
 24. The Holder shall be responsible for the implementation of safety policy and for the appointment of the Safety Officer.
 25. The Holder shall nominate duly authorised officers of Bolton Wanderers Football Club with appropriate experience and sufficient competence, status and authority to take responsibility for safety at the sports ground, to be able to authorise and supervise safety measures and to serve as a Duty Safety Officer and Deputy Safety Officer. One of whom shall be in charge of the safety of spectators within the sports ground during the whole time it is in use for any specified activities outlined in Appendix 3, whenever the number of spectators attending is likely to exceed 2000.

The Safety Officer shall have, or be working towards, a level 4 spectator safety qualification.

The Holder may nominate a replacement Safety Officer who shall be a duly authorised officer of Bolton Wanderers Football Club, or nominate a replacement Deputy Safety Officer, which nominations shall be subject to agreement by the Council. All nominations shall be made to the Council in writing.

26. The Holder has nominated a Duty Safety Officer and Deputy Safety Officer's , one of whom shall be in charge of the safety of spectators within the sports ground during the whole time it is in use for any specified activities where the attendance is expected to exceed 2000 as outlined in Appendix 3.
27. For those specified activities where the number of spectators is not likely to exceed 2000 the Facilities and Operations Director shall nominate a duly authorised officer of Bolton Wanderers Football Club, who shall be suitably experienced to serve as Duty Safety Officer for the particular specified activity.

28. Unless the Holder, a nominated Safety Officer or Deputy Safety Officer whose appointment has been notified to the Council, is present, the capacity of the sports ground will be zero when spectators are admitted through the turnstiles.
29. No specific activity, which is specially presented for children, shall take place unless organised, verified and accredited by the Club.
30. The Holder shall draw up and keep up to date plans showing the layout of the sports ground, buildings, equipment, and all details considered necessary by the Council in connection with the Safety Certificate and shall upon request supply the Council with copies.
31. This Certificate is issued without prejudice to other legislation controlling the construction or use of sports grounds or buildings, or otherwise affecting the Holder and does not invalidate any statutory obligation upon the Holder. The specific requirements of this certificate shall not be regarded as the limit of the obligation placed on the Holder to take all necessary precautions for the reasonable safety of spectators admitted to the sports ground.
32. The previous Certificate, effective from 6th June 2019 is replaced by this Certificate with effect from 9th September 2019; the Council will review this Certificate annually.

Schedule 1

CROWD CONTROL

- 1.1 Before each specified activity, where the number of spectators is likely to exceed 2000 the Holder shall: -
- (a) Consult jointly with the Police regarding the general arrangements for that activity; and
 - (b) Notify the Police of every specified activity at least 35 days before such activity takes place when possible, or such shorter time as the Police may accept and consult with him/her concerning the attendance of a sufficient number of Police Officers for the purpose of maintaining the safety of, and lawful and orderly behaviour among persons attending the Stadium
 - (c) The holder shall secure the attendance at the Stadium of the appropriate number of Police Officers, as the Police deem appropriate for the purpose of maintaining public safety and safeguarding, to prevent the commission of offences or the presence of a security threat.
- 1.2 The Holder shall use its best endeavours to enter into a written statement of intent with the Police setting out their respective responsibilities for crowd safety and control. Any variation in the statement must be agreed in writing in advance of the specified activity to which it is relevant. It should be noted that the Statement of Intent is not a contract but an agreement on respective areas of responsibility.
- Note:** A copy of the Statement of Intent shall be kept with this General Safety Certificate and shall also be forwarded to the Council.
- 1.3. The option to delay the commencement of the sporting activity, once spectators have been admitted for the purposes of viewing a specified activity, is to be at the discretion of the Holder. Crowd safety and the preservation of good order should be the paramount consideration in deciding whether to exercise such discretion.
- If Police are in attendance inside the sports ground, the Police Officer in command must be consulted. If, in his/her opinion, a serious public order or crowd control situation will arise if the specified activity is commenced whilst substantial numbers of spectators are still outside the sports ground awaiting admission, the Holder shall comply with a request by that Police Officer to delay the start of the match.
- 1.4 When considered necessary by the Council, after consultation with the Police and the Holder, the Holder shall permit entry only by ticket issued or sold before the day the sports ground is used for that particular specified activity.
- 1.5 The number of tickets issued for each particular area shall not exceed the permitted capacity of that area. Each ticket shall be accompanied by a diagram showing the layout of the sports ground, positions of entrances and designated entrance gates.
- 1.6 The number of tickets issued for each particular area shall not exceed the permitted capacity of that area. Each ticket shall specify the turnstile block by which the ticket holder shall enter the Stadium and where possible shall include a simplified, understandable diagram showing the layout of the Stadium and position of entrances. Tickets for seats which offer restricted views or are uncovered shall be marked accordingly and the buyer forewarned

- 1.7 The Holder shall agree with the Council and the Police the methods to be used for the segregation of home and visiting spectators
- 1.8 Sufficient entry points, as shown on the stadium layout plan shall be provided and operated to allow the entry of all the spectators to each self-contained area within one hour at a notional rate of 660 persons per entry point per hour, or such alternative rate as may be determined by the Council. Colour and number or letter visible to spectators approaching the sports ground shall individually and conspicuously identify each bank of entry points. Numbers visible from outside and inside the sports ground shall individually identify each entry point. The colour, number or letter on each bank of entry points shall correspond with the information given on the tickets issued for use at that entry point.
- Note:** Where the recorded rate of entry proves to be less than 660 persons per entry point per hour, that lower figure shall be used for calculating entry capacity instead.
- 1.9 When considered necessary an electronic computerised spectator counting system shall be provided, maintained and tested as required.
- 1.10 Drinks may only be sold or supplied in plastic bottles or in plastic or paper beakers or cups; such beakers or cups may have loose fitting plastic or paper lids but otherwise no drink may be sold or supplied in closed containers except: -
- (a) With the prior written consent of the Council; or
 - (b) Where drink is served at a table accompanying a meal; or
 - (c) In those parts of the sports ground not usually open to members of the general public.
- 1.11 Television cameras, commentary/control points, camera gantries and the location of outside broadcast vans, for the broadcast or recording of specified activities, and including cables and other portable equipment, shall be restricted to the positions indicated on the approved plans or as otherwise approved in writing by the Council.
- 1.12 The Holder shall produce a written car park/vehicle Strategy for the sports ground and submit a copy to the Council. Once the ground is open to the public No vehicles shall be permitted to enter or remain within the Sports Grounds without the express permission of the Safety Officer. The parking of vehicles on the sports ground premises shall be restricted to the positions indicated on the approved plans or as otherwise approved by the Club's Safety Officer.
- 1.13 A public address system shall be provided and operated by a competent person. The system shall be used for the carrying out of emergency evacuation procedures for the sports ground after consultation with the Safety Officer / Deputy Safety Officer and when present, the Senior Police Officer.
- 1.14 The public address system shall be capable of communicating information to areas both outside and inside the ground. Important announcements shall be preceded by a loud signal.
- 1.15 Each gate on an exit route shall be controlled by a Steward while spectators are in the ground.

SCHEDULE 2

RECORDS AND CERTIFICATES

2.1 Records to be kept by the Holder

2.1.1 The Holder shall keep, separately, for a minimum period of six years, the following records which shall be made available for inspection by the Council's authorised officers at all reasonable times. (The Holder shall be responsible for the collation of the information required for the records from the relevant organisation.) Each record shall specify the name, status and qualifications of any person carrying out a test, inspection or remedial work: -

- (i) A record of the number of spectators admitted to the sports ground for a specified activity.
- (ii) A record of any accident or incident which causes injury, other than a playing injury, which is brought to the notice of the Holder and which occurs whilst the sports ground is in use for a specified activity.
- (iii) Details of any emergency systems failures.
- (iv) Details of any near miss incident.
- (v) Record of each exercise as specified under clause 11 of this certificate.
- (vi) A record of any assumption of control by Police.

2.1.2 Further information is provided in Section 12 of the Operations Manual – Planned Preventative Tests and Inspections.
