Garage Name & Adress _____

Page	Sctn	INSPECTION TYPE	REASON FOR FAILURE – see inspection manual for full details																			
			N/S/F	O/S/F	N/S/R	O/S/R	Fail	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
BRAKES																						
8	A1	Service brake performance of footbrake.																				
9	A2	Performance of parking brake.																				
10	A3	Condition of mechanical brake components.																				
11	A4	Condition of brake pipes and hoses.																				
12	A5	Condition of servos, exhausters and hydraulic components.																				
13	A6	Service brake operation.																				
14	A7	Service brake operation - Handbrake.																				
15	A8	Anti-lock braking system (ABS).																				
STEERING																						
16	B1	Steering linkages.																				
17	B2	Steering controls – Steering Wheel.																				
18	B3	Steering controls – Steering Column.																				
19	B4	Steering Controls – Steering Mechanism.																				
20	B5	Steering Controls – Power Steering.																				
21	B6	Stub axles, king pin assemblies and wheel bearings.																				
TYRES AND WHEELS																						
22	C1	Tyres.																				
23	C2	Road Wheels.																				
24	C3	Rear hub bearings.																				
UNDERBODY																						
25	D1	Condition of chassis.																				
26	D2	Underpanels, sills and body mountings.																				
27	D3	Exhaust system.																				
28	D4	Engine underparts.																				
29	D5	Clutch, gearbox and automatic transmission underparts.																				
30	D6	Rear axle.																				
31	D7	Propshaft/ drive shafts.																				
32	D8	Fuel tank and pipelines.																				
33/34	D9	Front Suspension.																				
35/36	D10	Rear Suspension.																				
UNDERBODY (Cont.)																						
35/36	D10	Rear Suspension (Continued).																				
ENGINE																						
37	E1	Engine Compartment.																				
LIGHTS																						
38/39	F1	Obligatory front & rear side lamps & obligatory fog light.																				
40	F2	Obligatory and additional stop lamps.																				
41	F3	Obligatory and additional red reflectors.																				
42	F4	Obligatory headlamps.																				
43	F5	Obligatory headlamps – headlamp aim:																				

44	F6	European type headlamp.																				
45	F7	British –American type headlamp [dipped beam].																				
46	F8	British –American type headlamp [main beam].																				
47	F9	Direction indicators and hazard warning lights.																				
48	F10	Additional Lamps.																				
Driver Controls/ fire extinguisher.																						
49	G1	Driver Controls/ fire extinguisher.																				
BODYWORK																						
50	H1	Condition of Bodywork.																				
51	H2	Condition of Paintwork.																				
52-53	H3	Doorlocks, Hinges, handles & trim panels.																				
54	H4	Bonnet, Boot Lid & Boot compartment.
