Some Residents have very specific needs requiring regular additional and exclusive Services. Such costs will then be reflected in the Bolton Council Supplement.

Bolton Council will set the Local Prices each financial year in accordance with the relevant legislation.

Once the Local Prices for any financial year are confirmed by Bolton Council, then the Provider may, within the following six weeks, make a request to Bolton Council to amend any existing Additional Costs agreements no less than eight weeks prior to the proposed change taking effect. Each request will be considered on a case by case basis. If the Authority agrees to amend the Additional Costs, the change will take effect on a Monday.

Any Additional Costs agreed by the Authority, the Provider and the Third Party will be included in the Total Weekly Cost to ensure that The Authority retains responsibility for payment of the Additional Costs to the Provide
