

Good Afternoon,

We are writing to all Hackney Carriage Drivers and Vehicle proprietors regarding the use of the Hackney Carriage Rank on Bradshawgate in Bolton.

The only rank that is currently being utilised on Bradshawgate is the bottom rank outside Shahs Pizza, and waiting vehicles are queuing on the road outside The Swan.

The current use of just one rank outside the Takeaway is causing serious safety and congestion issues and must be addressed.

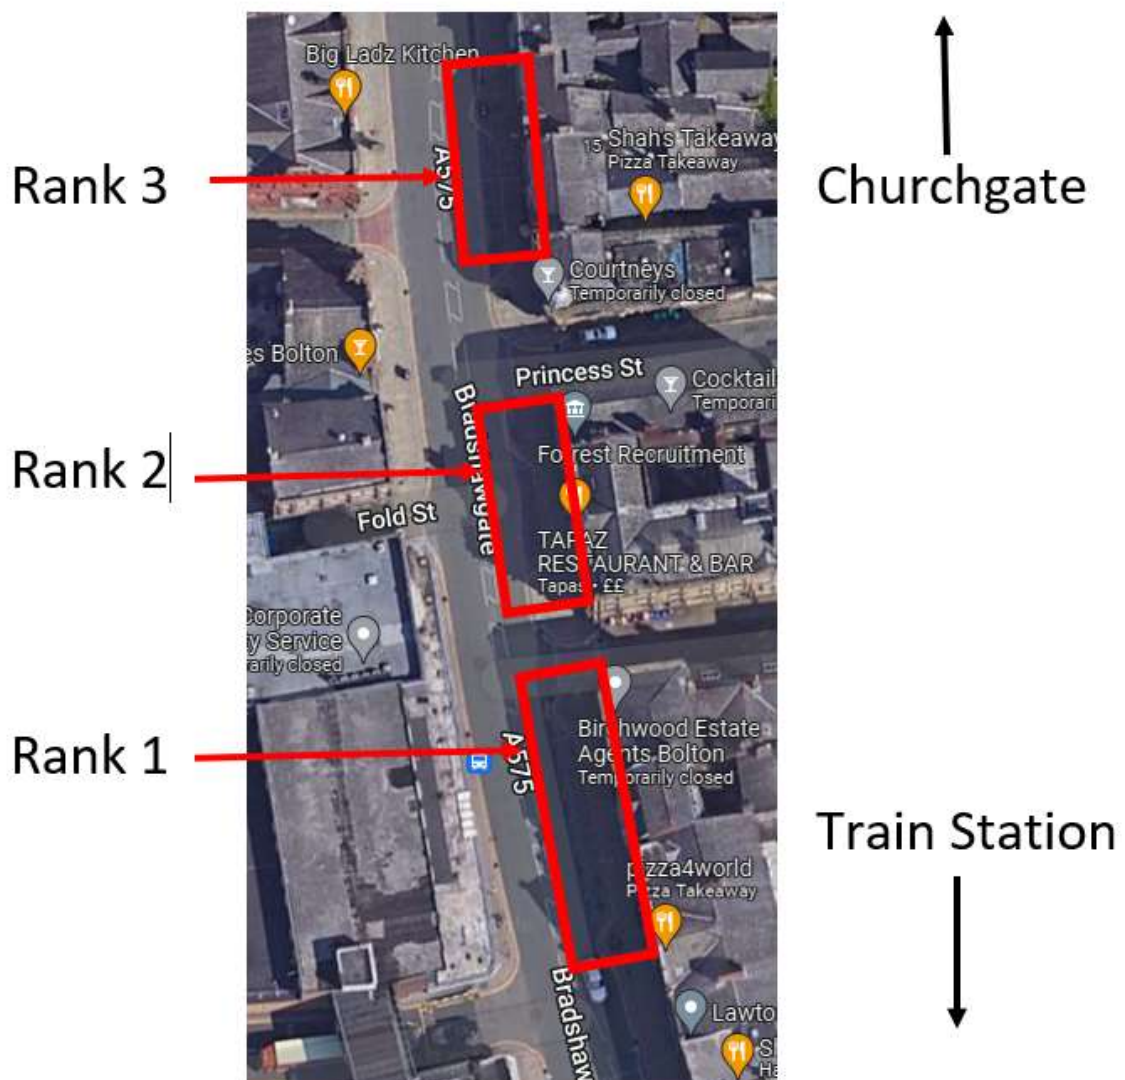

Please can we remind drivers that the Hackney ranks on Deansgate must be used in order starting at rank 1 for pick ups and rank 2 + 3 for queuing (feeder rank) as per below.

The taxi marshals have been advised and in future they will using a feather flag to indicate the front of the rank.

Rank 1 – Between Silverwell Street and Wood Street

Rank 2 - Between Wood Street and Princess Street

Rank 3 - Between Princess Street and Churchgate

Thank you in advance for your assistance and appreciate your support.

If you have any questions please get in touch.

Thank you

Kind Regards
