6 QUESTION FROM MRS G RATCLIFFE at the FGP meeting on the 13th March and to approve any action.

On Monday the 13th of March I asked the question below. I agreed to send you the question. On two occasions Council Andy Morgan stated "he can't see the use of benefits for having a parish council"

He's said this in the public domain. My question is should he not stand down and remove himself immediately or should a vote of no confidence take place because he is damaging the integrity of the Town Council and undermining the hard work you all do"

He seemed to see the point of the Town Council when he was put up for mayor!!

7 To discuss Planning and Development Matters and to approve any action.
