**Utility works**

**Advertised public notice below  
Diversion plans (if available) are attached**

THE BOROUGH COUNCIL OF BOLTON  
ROAD TRAFFIC REGULATION ACT 1984 S.14  
GREENSMITH WAY - TEMPORARY CLOSURE

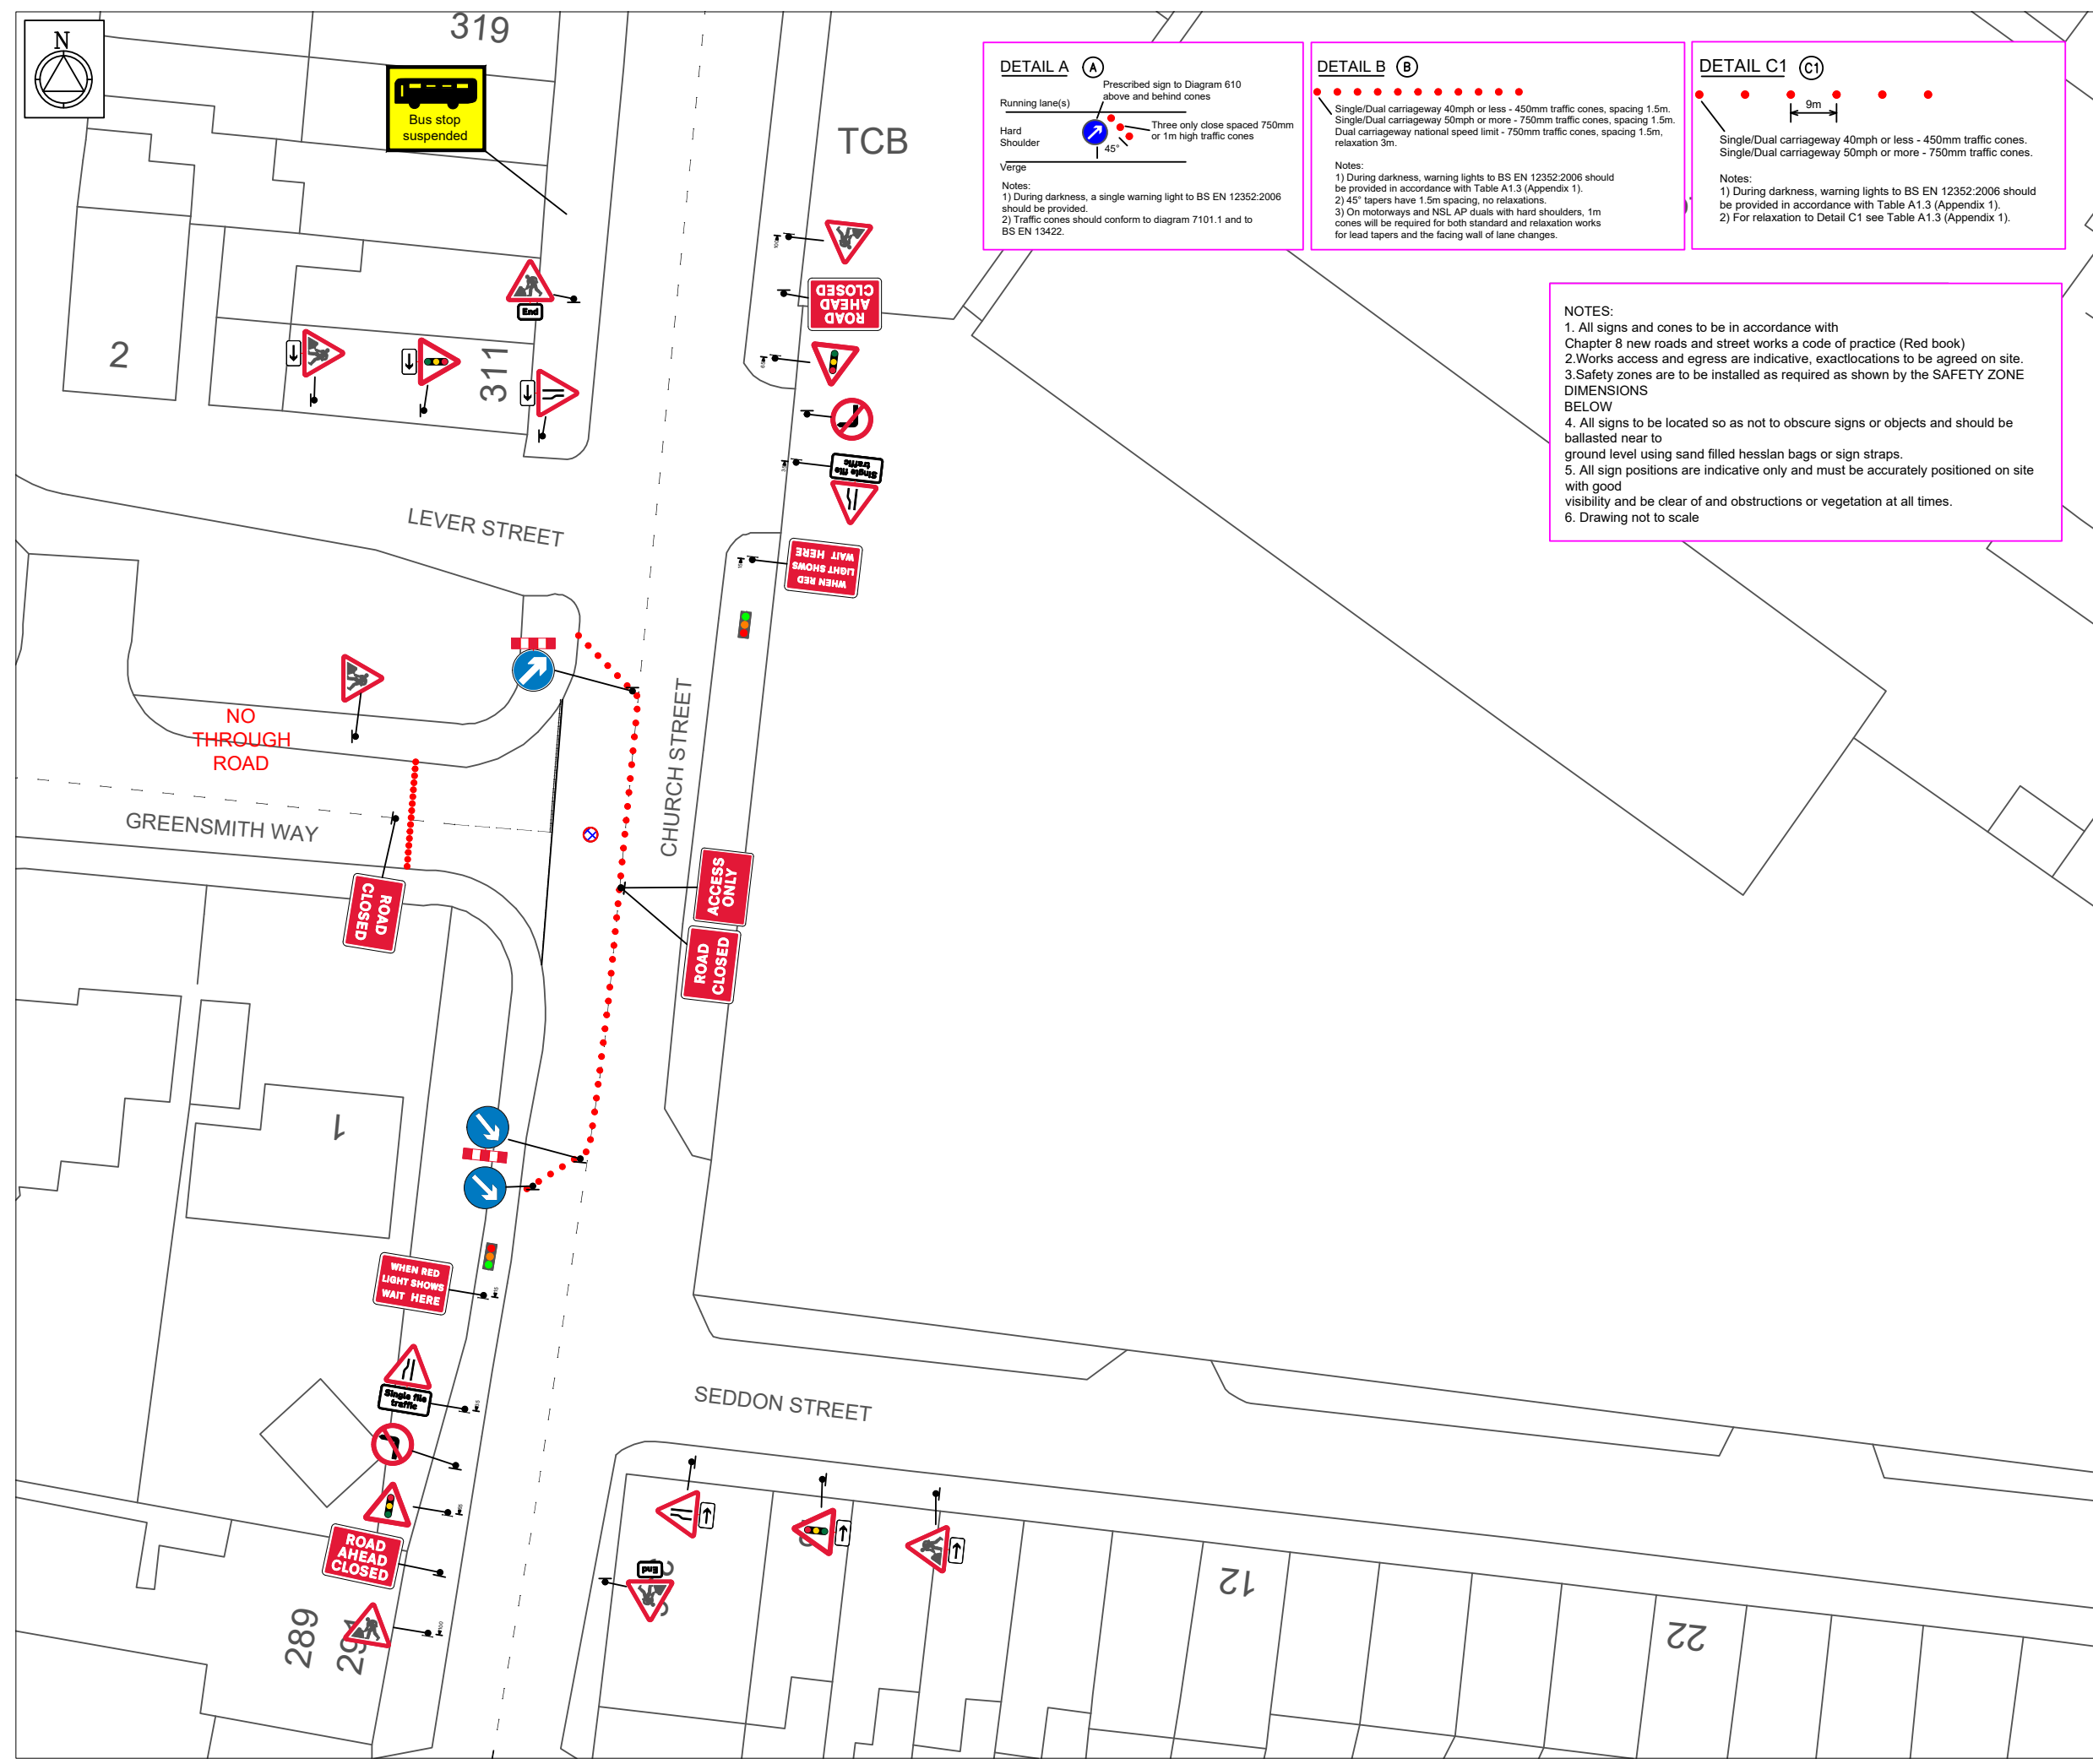

The Council intends to make an order, operative from 26 July 2024 between the hours of 9.30am and 3.00pm for 1 day approx. the effect of which will be to prohibit all traffic when proceeding on Greensmith Way at its junction with Church St, to allow utility works to take place. The Order will end after 18 months or on completion of the works whichever first occurs.

Bolton Council. 12 July 2024.

If your waste or recycling bins are due to be emptied during road or resurfacing works, please present them at the nearest accessible point. This will ensure that your bins can be emptied on the usual collection day.

**TRAFFIC MANAGEMENT NOTES**

2 WAY TRAFFIC SIGNALS :

**NOTES**

- All traffic signs shall comply with Chapter 8 of the Traffic Signs Manual
- Maximum distance between any two temporary traffic signals to be 240m. Minimum distance between any two temporary traffic signals to be 30m.
- Temporary traffic signals shall not occur within 150m of an existing level crossing. Pelican crossing or signalised junction without the consent of the Engineer. The Engineer shall consult with the authority responsible for any of these types of facility prior to traffic management being installed in adjacent areas.
- Coning shall be installed at 45° to the edge of carriageway, as generally indicated.
- Cable crossing protectors and P7010/P7013 signs shall be provided whenever control cables cross a section of carriageway open to traffic.
- The signal control mechanism shall normally be placed in a location from which it is possible to view all approaches to the site.
- Duplicate primary signal to be installed as instructed.
- Lane width past the works to be 3.7m maximum, 3.25m desirable minimum, 3.0m absolute minimum.

ROAD CLOSURE :

**NOTES**

- All traffic signs shall comply with Chapter 8 of the Traffic Signs Manual
- All traffic management equipment shall be provided by the Contractor, unless otherwise specified.
- All signs shall be positioned so as not to be obscured by any other objects and shall not obstruct any other sign, permanent or temporary as much as is reasonably practicable.
- All traffic signs shall meet the reflectorisation requirements of BS 673 - Part 6 : 1963, Table 1.
- Works Access/Egress to be positioned to suit ongoing works.
