1. INTRODUCTION

The Bolton Safeguarding Adult Board (hereinafter 'BSAB' or the board') is established in line with the duties set out in section 43 and Schedule 2 of the Care Act 2014, as the statutory mechanism for agreeing how partner agencies cooperate to protect adults at risk, prevent neglect and abuse and promote the wellbeing of adults in its area.

Statutory safeguarding responsibilities arise where there is reasonable cause to suspect that an adult:-

- a) Has needs for care and support (whether or not the authority is meeting any of those needs).
- b) Is experiencing, or is at risk of, abuse or neglect and
- c) As a result of those needs is unable to protect themselves against the abuse or neglect or the risk of it.

2. PURPOSE

The BSAB's objective is to ensure that local safeguarding arrangements and partnerships act to help and protect adults at risk of, or are experiencing, neglect and/or abuse across Bolton.

In achieving the above, the following six key principals must be followed:-

- Empowerment:** Presumption of person led decisions and informed consent.
Prevention: It is better to take action before harm occurs.
Proportionality: The least intrusive response appropriate to the risk presented.
Protection: Support and representation for those in greatest need.
Partnership: Local solutions through services working with communities.
Accountability: Accountability and transparency in delivering safeguarding.

Making Safeguarding Personal

In addition to these principles, it is also important that all safeguarding partners take a broad community approach to establishing safeguarding arrangements. It is vital that all organisations recognise that adult safeguarding arrangements are there to protect individuals. We all have different preferences, histories, circumstances and lifestyles, so it is unhelpful to prescribe a process that must be followed whenever a concern is raised.

The BSAB has the following three statutory duties:-

- To publish a strategic plan for each financial year that sets out how it will meet its main objective and what the members will do to achieve this. The plan will be developed in partnership and triangulate all pertinent safeguarding evidence, intelligence and learning derived from Safeguarding Adult Reviews ("SAR's").

- To publish an Annual Report detailing what has been done during the year to achieve its main objectives and implement its strategic plan and what each member has done to implement the strategy as well as detailing the findings of any SARs and subsequent action. All members of the BSAB must disseminate the BSAB annual report effectively, and where-possible, place the report on their websites.
- To conduct any SAR in accordance with Section 44 of the Care Act 2014.

3. VALUES, MISSION, AND VISION OF THE BSAB

In line with the Nolan Principles of public life and Making Safeguarding Personal principles, the BSAB will promote and cultivate a culture of openness, honesty, integrity, accountability, objectivity, selflessness and leadership through its vision, mission, and values.

The vision of the BSAB is:

'We are committed to continuous improvement, learning from experience, and enabling adults at risk of neglect and abuse to have a voice'.

The mission of the BSAB is:

The mission of the BSAB is to create a culture where good safeguarding practise is standard practise. We will work with intention and commitment to ensure the voice of the adult and their carers are at the centre of all we do, by challenging ourselves to ensure we are accountable and evidence the effectiveness of our work to safeguard and promote the welfare of adults at risk.

The values of the BSAB are:

Accountability, Openness, Honesty, Integrity, and Selflessness
 Leadership and Partnership
 Empowerment
 The Voice if the adult and Carer in all we do
 Proportionality and Partnership
 Protection and Objectivity

Specifically, the BSAB will apply the above through:

a) Accountability, Openness, Honesty, Integrity, and Selflessness

Ensuring a strong focus on assurance, with clear evidence of how BSAB assurance activity evidences the effectiveness of its work to safeguard and promote the welfare of adults at risk, by establishing ways of analysing and interrogating data on adult safeguarding issues, notifications and completed enquiries which increases the BSAB's understanding of the prevalence of abuse and neglect locally that builds up a picture over time.

Embedding a learning and improvement culture by learning from the most serious and tragic events.

Respective challenge and calling to account those areas where practice or safeguarding arrangements are not robust or effective.

Ensuring that matters of diversity and equality are addressed within all aspects of safeguarding work.

Balance the requirements of confidentiality with the consideration that, to protect adults, it may be necessary to share information on a 'need-to-know basis'.

b) Leadership and Partnership

Innovation and strategic leadership that takes ownership and accountability of BSAB performance.

Creating a shared vision of what good safeguarding practice looks like in Bolton across all organisations and setting standards for safeguarding against which all services can assure their quality practice.

Well defined governance structures across strategic Boards and partnerships to ensure synergy in strategic priorities.

c) Empowerment

Ensuring the 'lived experience' of the adult at risk, their carers, and the adult's workforce are actively listened to and shapes every element of the work of the BSAB.

Empower the Bolton Community and citizens to recognise safeguarding concerns and to know what to do when concerns arise.

Support to build an excellent adult workforce by developing a competency-based learning and development strategy.

d) Proportionality and Partnership

Raise public and professional awareness so that communities across Bolton as a collective, play their part in preventing, identifying, and responding to abuse and neglect, by developing an overarching communication and engagement strategy that is co-produced with adults at risk.

e) Protection and Objectivity

Triangulation of intelligence and evidenced based research that informs the practice and policy landscape, in responding in real time to emerging threats and safeguarding issues across Bolton.

4. GOVERNANCE AND ACCOUNTABILITY

The BSAB sits within a framework of statutory and non-statutory multi-agency bodies which include the Integrated Care Partnership (ICP), the Safeguarding Children Partnership and the Community Safety Partnership (CSP). These relationships ensure joint approaches can be developed on shared areas of concern. There is a commitment to ensuring good working relationships with Safeguarding Adults Boards in regional areas of Greater Manchester to prevent duplication and repetition. Annual reports of each respective strategic board will be shared to ensure synergy and avoid duplication of any overlapping priorities.

The BSAB is accountable to the Chief Executive of the Council, Health and Social Care Overview scrutiny committee, and the Lead Member for Adult Social Care in respect of its governance. However, the BSAB will act independently in respect of monitoring safeguarding arrangements, and it is within its remit to scrutinise the safeguarding arrangements of all responsible organisations within Bolton. It is the responsibility of the Chief Executive Officer and Lead Member for Adult Social Care, as well as all agencies, to ensure that an effective local Safeguarding Adults Board is in place.

Each body has vital and distinct roles which include a responsibility for safeguarding and promoting welfare. The effectiveness of BSAB relies upon its ability to assert its statutory authority through an independent voice and ensuring the understanding that safeguarding is everyone's business.

5. THE ROLE OF THE INDEPENDENT CHAIR

The BSAB is chaired by an Independent Chair. The Independent Chair's role will include the requirement to challenge partner agencies at a senior level where there are concerns about safeguarding performance or systems. The Chair will provide independent leadership and strategic vision to the BSAB and ensure that the BSAB has an independent, objective, and authoritative identity.

The Chair of the Board works closely with all BSAB partners, particularly with the Director of Bolton Adult Social Services (the 'DASS'). The Chair is accountable to the Local Authority Chief Executive and should liaise with them and brief them on BSAB Business on an agreed regular basis. The Chair will be appraised annually by the Chief Executive of Bolton Council.

The Independent Chair will be recruited by a multi-agency panel of members of the BSAB and serve a minimum of three-year term at which point his/her tenure will cease and a further selection process will commence which may include the current Chair if they so wish. BSAB partners may extend a three-year term if it is agreed by members.

The Independent Chair will engage with other Independent Chairs within formal structures such as the Greater Manchester Regional Chairs Network and the National Independent Chairs Network. There is a clear expectation that Chairs

will keep up to date with, and promote, good practise, developments in case law and research and any other relevant material.

The Vice Chair of the BSAB is the DASS who will act on the Chair's behalf in their absence. However, if a longer period is required, the BSAB members must ensure arrangements are put in place to ensure the continued independence of the BSAB.

6. STRUCTURE OF THE BOARD

The BSAB sets the direction and is responsible for ensuring effective delivery. The full structure of the BSAB can be found at Appendix 1. Under a new restructure the BSAB has established a Business Group, that brings together the Statutory Partners of the BSAB and Chairs of all the sub-groups. Specific work is undertaken by the BSAB's sub-groups, which are accountable to the full board. The board also has the authority to commission Task and Finish groups according to any identified needs.

The full role and functions of the BSAB Business Group and the sub-groups are documented within the Terms of Reference for each group. These Terms of Reference include the purpose, function, membership, meeting frequency and form, decision making and escalation.

Together, the BSAB Business Group and the sub-groups will undertake the following responsibilities, devolved to them by the board, while acknowledging BSAB's Values, Mission, and Vision (as set out in Section 3) throughout their work.

Representatives from member organisations of the BSAB will be appointed as Chairs of all sub-groups. The Chair of each sub-group has responsibility for the functioning, development delivery and progress of work plans and co-ordination of each sub-group. They will report progress and challenges directly to the Business Group and BSAB.

Each sub-group must nominate a Vice Chair with responsibility for the functioning and co-ordination of each sub-group, in absence of the Sub-group Chair. Sub-group members will be nominated professionals of BSAB organisations, with the relevant knowledge, skills and delegated responsibility to be members of each respective sub-group. They will be expected to act on behalf of their organisations and have sufficient authority to make decisions. All sub-group members must actively participate and undertake any required actions to support the progress and annual work plan of each sub-group.

Voting

The Chair shall seek at all times to ensure that the business of the board is conducted based on consensus between the constituent members. There may be exceptional circumstances when it becomes necessary to carry out a vote. In such circumstances a resolution may be put to the vote at the meeting and

shall be determined by a majority of members present provided that the three statutory members are in favour. The method of voting shall be by a show of hands unless the meeting decides otherwise.

The decision of the Independent Chair having taken the advice of the legal advisor as to the right of any person to vote shall be final.

A declaration by the Chair that a vote has been carried shall be conclusive evidence of the fact.

Any representative dissenting from a vote carried by the board shall be entitled to have their name recorded in the minutes.

All acts undertaken by a meeting of the board or by a person acting as their representative shall, notwithstanding that it is afterwards discovered that there was a defect in the appointment of the representative or that any of them were disqualified from holding office or were not entitled to vote, be as valid as if every such person had been duly appointed and was qualified and had continued to be a representative and had been entitled to vote. In the event of a tie the Independent Chair will have a second and casting vote.

Voting in regard of a Safeguarding Adult Review

Wherever possible the SAR Sub-group will review and make recommendations to the Independent Chairperson on behalf of the SAB to commence a SAR or not with supporting evidence and information.

In the event that the Independent Chair does not agree with the recommendation of the Sub-Group, the matter shall be listed for discussion at full board in an extraordinary meeting of the Board. A final decision shall be reached by full Board with the rationale for the decision recorded for legal challenge and scrutiny.

Quoracy

A quorum of the board shall be 2 out of 3 core statutory organisations represented with a total of five members representing four separate agencies, always including the Chair or Vice Chair. If at any time there is not a quorum present, the meeting may proceed but any formal decisions should be deferred to the next quorate meeting. For any urgent and significant decisions to be made the BSAB may consider convening an extra ordinary board meeting.

The quorum for a meeting of a subgroup shall be one third of its membership (where the membership is not divisible by 3 the number shall be rounded up) provided that at least three individual organisations are represented. However, in regard to the SAR Sub-group members of the three statutory partners; Local Authority, Police and NHS Integrated Care Board must be in attendance when deciding to make a recommendation to commence a SAR or not.

In the event a BSAB or a sub-group member is unable to attend any particular meeting a fully briefed substitute may attend in their absence. If the member is a Chair of a sub-group, the named substitute will be expected to deliver an update of progress of the sub-group. In the event a BSAB or sub-group member misses two of the previous three meetings without ensuring an appropriate deputy is able to attend, the BSAB Independent Chair, on behalf of the BSAB, may write to that member to remind them of their obligation to attend meetings. If non-attendance continues, the Chair will write to the Chief Executive of that agency requiring a permanent replacement.

Membership

The board shall be composed of senior/strategic officers nominated by each member agency. Members representing individual agencies must have sufficient delegated authority to effectively represent their agency and to make decisions on their agency's behalf.

They must have access to those responsible for making the decision for which they do not have delegated authority. If they are unable to attend board meetings for any reason they must send a representative of sufficient seniority. Board members will be required to sign a membership agreement and are expected to attend 4 out of 6 meetings in a year. Membership will be reviewed annually.
