

# THE PRIVATE HIRE HOLDING AREA IS CHANGING

The Private Hire Holding Area (PHHA) offers drivers somewhere to wait for arriving passengers; before moving into the Terminal Pick-up Zones.

The PHHA has proved popular with drivers, however:

- As drivers are regularly waiting in the PHHA for long periods, the area is frequently reaching capacity.
- Maintenance and servicing costs have increased due to the number of drivers using the PHHA.
- Hazards relating to manoeuvring space and overflowing toilets have arisen

To address these issues, on 1st August 2024 Manchester Airport will be implementing the following changes:

- The maximum stay will reduce to 90 minutes
- The charge for using the PHHA will be £1.50 per visit

**WE HOPE THESE CHANGES WILL ALLOW SAFE AND FAIR  
ACCESS TO THE PHHA FOR ALL DRIVERS.**

*Manchester Airport is reviewing the facilities at the Private Hire Holding Area and we would like drivers to share their views.*

*To have your say, scan the QR code to complete a short online form.*
