

THE PRIVATE HIRE HOLDING AREA IS CHANGING

The Private Hire Holding Area frequently reaches capacity, leading to hazards, health and safety risks, and sometimes inconsiderate behaviour - which has occasionally escalated to aggression towards Airport staff.

To address these issues, on 1st August 2024 Manchester Airport will be implementing the following changes:

- The maximum stay will reduce to 90 minutes
- The charge will be £1.50 per visit

WE HOPE THESE CHANGES WILL ALLOW SAFE AND FAIR ACCESS TO THE PHHA FOR ALL DRIVERS.

For more information and to complete a driver survey, please take a flyer from the break room.
