Letter sent by email 2nd August 2024

Mr David Kaiserman
Independent Examiner
Penny O'Shea Consulting

Dear Mr Kaiserman

Response to Examiner's letter 25 July 2024 – Examiner's clarifying questions to Over Hulton Neighbourhood Forum

Thank you for your letter dated 25 July 2024, the contents of which are noted.

The Forum apologises to the examiner for misinterpreting earlier letters around the scope of the suggested meeting. After giving the matter further thought and consideration, we do however feel there is considerable merit in going ahead with the meeting, as we feel it is essential for ourselves and Bolton Council representatives to establish as much clarity as possible.

Following the meeting, the Forum along with our planners will place the Plan on hold pending the necessary work to be undertaken on the required modifications and to allow for any re-consultation to be carried out.

We look forward to hearing from you with your availability so that the meeting can be scheduled and diarised.

Kind regards

Yours sincerely

Diane Parkinson
Chair
Over Hulton Neighbourhood Forum
