

What to do with your Christmas tree

Bolton Hospice will collect Christmas trees on 6 and 7 January for a suggested minimum donation of £15. All Bolton postcodes are included. Book online from 1 December at www.boltonhospice.org.uk/christmas-tree or call 01204 663 055.

Or you can:

- Cut your Christmas tree into pieces and put it in your green bin
- Take your tree to the recycling centre and put it in the garden waste container

Know your bins this Christmas

Burgundy bins

Plastic pots, tubs and trays can now be recycled. Pop them into your burgundy bin along with items like bottles, cans and jars.

Beige bins

Christmas cards, ordinary wrapping paper and paper gift bags without glitter, as well as cardboard packaging, can be recycled in the beige bin.

What cannot be recycled?

Bows, ribbons, polystyrene, shiny wrapping paper and anything with glitter on cannot be recycled. These should go in your grey bin.

Batteries

Do not put batteries of any kind in grey bins or recycling bins as they can cause serious fires in waste wagons and at the recycling centre. Please put them in the recycling containers found at most supermarkets.

Christmas and New Year bin collections 2024

Our collection teams will not be working Christmas Day, Boxing Day and New Years Day, meaning that there will be some changes to your bin collection arrangements.

There will be no green bin collection service from Monday 23 December 2024 to Friday 3 January 2025. This includes large green bins and smaller food waste containers for all households.

Green bin collections will resume on Monday 6 January, as normal.

Please put your bins at the edge of your property with the lid closed by 7am on your collection day.

Please park vehicles responsibly to allow our wagons to access your street.

For more information, including what to recycle in your bins and to check your bin collection days, please visit www.bolton.gov.uk/rubbish-recycling
