

## Use of the Hackney Carriage Rank on Bradshawgate in Bolton

Please can we remind drivers that the Hackney ranks on Bradshawgate must be used in order **starting at rank 1** for pick ups. Ranks 2 and 3 are for queuing only and are feeder ranks as per below.

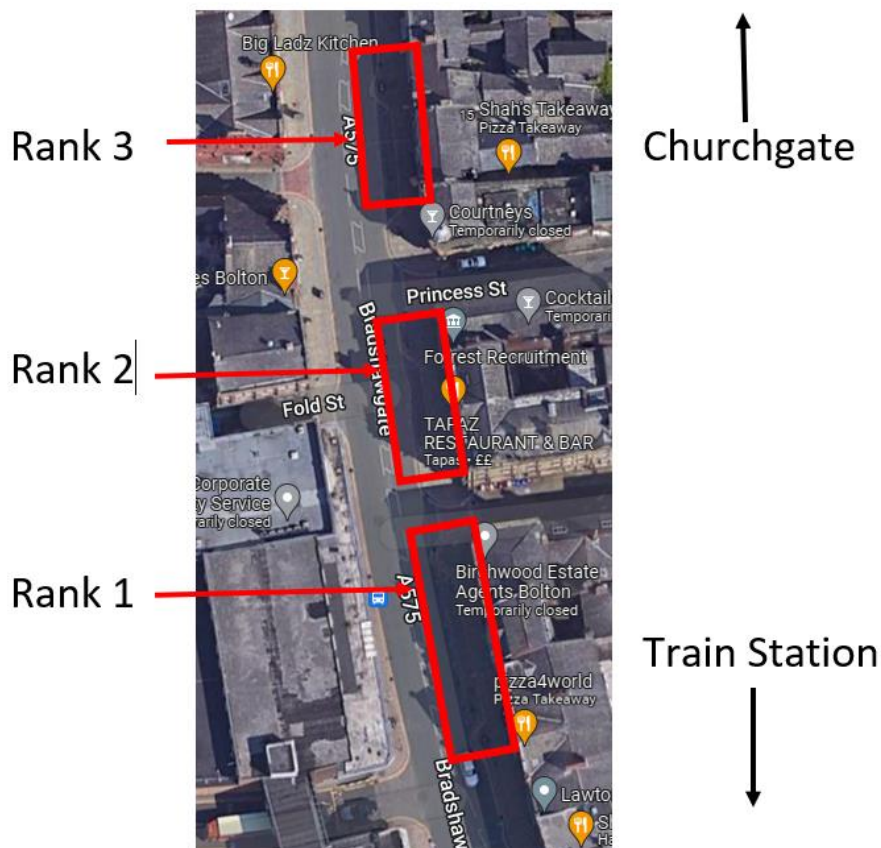

The use of ranks incorrectly is causing confusion for members of the public and creates serious safety and congestion issues and must be addressed.

The taxi marshals have been advised and will direct customers and drivers correctly. The front of the rank is clearly indicated with a feather flag.

Rank 1 – Between Silverwell Street and Wood Street

Rank 2 - Between Wood Street and Princess Street

Rank 3 - Between Princess Street and Churchgate
