Due to high demand all of our allotments now have waiting lists which are limited in size. On applying for an allotment you will be added to the waiting list if possible and be contacted when a plot becomes available for you. If space on the waiting list isn't available at the time of application you will be advised to re-apply at a later date.

Please be patient as some sites have a long waiting list. If you would prefer not to wait for your preference site and can travel further afield, an alternative site or shorter waiting list may be offered but, in any instance, we will endeavour to find you an allotment as soon as possible.
