

## **Notice of decision in the matter of Section 15(1) of The Commons Act 2006 and in the matter of an application for the registration of land known as Horrocks Fields**

Notice is hereby given that the Registration Authority, at a Committee meeting held on 7<sup>th</sup> January 2025, considered the application to register, in the Register of Town or Village Greens, the land known as “Horrocks Fields” and described in the application form as “Fields situated between Belmont Road and Gleaves Reservoir, below Horrocks Fold and adjacent to Templecombe Drive”.

Borough Council of Bolton as the Registration Authority has decided to grant the application and amend the Register of Town or Village Greens.

On the basis of all evidence submitted, and having regard to the submissions received by both Applicants and Objectors, and the report of the Independent Inspector, the Registration Authority considered that the application should be granted, namely on the basis that the application met the conditions for approval as a significant number of local residents within a locality had accessed the whole of the land, not just the footpaths, as of right for over a 20 year period to enjoy lawful sports and pastimes.
