GPS: 53.557225, -2.388518

Opening hours: Dusk to dawn

Facilities:

Access: Tarmac surfaced paths to the play area

Park Features:

The Park is centred on three large lakes and a large area of parkland with miles of scenic walking. The main and largest lake is reserved for migratory birds and wildlife. There's also a fishing lake and a canoeing lake. Located within the grounds of the Park is the Rock Hall Visitor Centre and next to it the Bird Hide. The Bird Hide overlooks a wild setting of trees and bushes with a scattering of bird tables and hanging feeders that attract wild birds of many varieties. There are also large areas of park and woodland marked out with walks and bridleways.

The Play Area is located beyond the car parking and to the side of the Rock Hall Visitor Centre.

The width of pedestrian access gates is suitable for most wheelchairs at 1m in a forward movement.
